## **You are invited to our take part in our third phase of engagement to help shape the Vision for Soho.**

Westminster City Council are looking to develop a vision and programme of improvements for Soho. We would like to thank everyone who took part in our first and second phases of engagement to help shape the emerging ideas.

In this third phase of engagement, we will discuss detailed ideas based on the feedback that has been received, and will consider options for the future Vision for Soho.

**For details of how to get involved, please see overleaf. **
